The coaches must advise the club office via email of this occurrence and submit the game sheet. The Match Official must indicate on the game sheet the time the game was abandoned and reason.

Start of Play

- At the beginning of a game, choice of sides and the kick-off shall be decided by the toss of a coin. The team which wins the toss shall decide which goal to attack in the first half or have possession of ball. The team that lost the toss will take the option not chosen by winner of coin toss.
- At a kick-off, all players shall be in their own half of the field of play. All players opposing the team taking the kick off shall be not less than 6 yards (5.5m) from the ball until it is kicked off.
- The game shall be started by the Match Official blowing his/her whistle.
- The ball will be in play when it is kicked and moved in any direction.
- For any infringement of this rule, the kick off shall be retaken.
- Should the player taking the kick off play or touch the ball a second time before it has been played or touched by another player, a free kick shall be awarded to the opposing team.
- After a goal has been scored, the game shall be restarted by a kick-off, to be taken by a player of the team against which the goal was scored.
- After the first half of play, the teams shall change sides. The second half kickoff shall be taken by a player of the team that did not start the game.
- For any stoppage not mentioned elsewhere in the rules, the Match Official shall restart the game by dropping the ball at the place where it was when the play was stopped, unless play was stopped in the penalty area. In this case, the ball shall be dropped on the penalty-area line at the point nearest to where the ball was when the play was stopped. The ball shall be in play as soon as it touches the ground.
- A goal may be scored directly from the kickoff.

Ball In and Out of Play

- The ball is **out** of play:
 - When the whole of the ball has crossed the goal line or touch line, whether on the ground or in the air
 - When the play has been stopped by the Match Official
- The ball is **in** play:
 - At all other times including when it rebounds into play from a goal post, a crossbar, referee and remains in the field on play

Offside

- The offside rule applies to all 9v9 outdoor games.

Method of Scoring

- A goal is scored when the whole of the ball has crossed over the goal line, between the goalposts and under the crossbar, provided it has not been thrown, carried, or intentionally propelled by hand or arm, by a player of the attacking team.
- The Match Officials shall be the sole judge as to whether a goal has been scored.
- During the course of play, should any outside agent prevent the ball from passing into the goal or assist the ball into the goal, play shall be stopped. The Match Official shall restart the game by dropping the ball.

- There are no scores or standings as per Ontario Soccer's Long Term Player Development (LTPD)

Substitutions

- Unlimited substitutions are permitted at the following times by notifying the Match Official:
 - On a throw-in for either team
 - After a goal is scored by either team
 - At a goal kick by either team
 - At the start of the 2nd half
 - To replace an injured player

Throw Ins

- When the whole of the ball has crossed the touchline, either on the ground or in the air, the ball shall be thrown in from the point where it left the field of play, by a member of the team opposing that of the player who last played or touched it.
- The player taking the throw-in shall:
 - Face the field of play
 - Have part of each foot on the touch line or in the ground outside the touch line,
 - Use both hands, and
 - Deliver the ball from behind and over her/his head
- If the player fails to throw the ball in correctly, she/he shall be permitted a second attempt. If the second attempt is unsuccessful, a throw-in shall be awarded to the opposing team.
- The ball will be in play immediately after it enters the field of play.
- If the player taking the throw-in plays or touches the ball a second time before it has been played or touched by another player, a free kick shall be awarded to the opposing team.
- At the taking of a throw-in, all opponents must be at least 2 meters from the ball.
- A goal may not be scored directly from a throw-in.

Retreat Line

- To allow our young players to learn and gain confidence in how to play the ball out from the back and build an attack, as opposed to the goalkeeper/last player kicking it aimlessly up the field, the concept of the retreat line has been introduced in mini soccer.
- What would happen is as follows:
 - When the goalkeeper has the ball at a goal kick or after making a save the opposing team members would "retreat" to a third of the field

- Once all the opposing players have retreated to the line the goalkeeper can successfully throw or pass the ball to one of his/her teammates
- Once the teammate has received the ball the opposing players can then start to apply pressure to the player with the ball this gives the player on the ball the time and space required to have a look, receive the ball, and choose to dribble or pass to a teammate without being marked or under immediate pressure.
- In the 9v9 game the retreat line will be at the one-third line of each team's respective half.
- The Match Official should ensure the retreat line is visible and in the correct location

Fouls and Misconduct

- A player who, in the opinion of the Match Official, intentionally commits any of the following offences, shall be penalized by the awarding of an indirect free kick to the opposing team:
 - Spits at an opponent/teammate
 - Bites an opponent/teammate
 - Kicks or attempts to kick an opponent/teammate
 - Trips or attempts to trip an opponent/teammate
 - Jumps at an opponent/teammate
 - Chagres at an opponent/teammate
 - Strikes or attempts to strike an opponent/teammate
 - Holds an opponent/teammate
 - Puches an opponent/teammate
 - Puches an opponent/teammate
 - Handles the ball deliberately, (except for a goalkeeper from within his own penalty area)
 - Tackles an opponent to gain possession of the ball, contacting the opponent before touching the ball.
- Should a player commit one of the above offences within his own penalty area, a penalty kick shall be awarded.

Penalty Kick

- A penalty kick shall be taken from the penalty mark. All players, with the exception of the defending goalkeeper and the player taking the kick, shall be outside the penalty area, behind the ball but within the field of play, not less than 6 yards (5.5m) from the ball until it has been kicked.
- The goalkeeper shall remain on his own goal line facing the kicker, and between the goal posts, until the ball has been kicked.
- The player taking the penalty kick must kick the ball forward, The ball shall be in play when the ball is kicked and moved forward. The player shall not play or touch the ball a second time until it has been played or touched by another player.
- If necessary, the time of play shall be extended to allow a penalty kick to be taken.

Goal Kick

- A goal kick is a method of restarting the play when the ball, having last touched a player of the attacking team, passes over the goal line, either on the ground or in the air but not between the goal posts and under the crossbar. The ball shall be kicked into play from a point within that half of the penalty area nearest to where the ball crossed the goal line.
- At the taking of a goal kick, all opponents shall be behind the retreat line.
- If the player taking the goal kick plays or touches the ball a second time before it has been played or touched by another player, a free kick shall be awarded to the opposing team.
- A goal may not be scored directly from a goal kick.
- Only the goalkeeper is to restart play from a goal kick. This will provide the goalkeeper with both the practice and confidence in playing out the back.

Corner Kick

- When the whole of the ball has crossed the goal line, either on the ground or in the air, excluding that portion between the goal posts, having last been played or touched by a member of the defending team, a corner kick shall be awarded to the attacking team.
- The corner kick shall be taken from within the corner arch nearest to where the ball crossed the goal line. All opponents shall be not less than 6 yards (5.5m) from the ball until it has been kicked.
- The ball is in play when it is kicked and moves.
- If the player taking the corner kick plays or touches the ball a second time before it has been played or touched by another player a free kick shall be awarded to the opposing team.
- A goal may be scored directly from a corner kick.

The Goalkeeper

- The goalkeeper is the only player allowed to use his/her hands to handle the ball in the penalty area.
- The goalkeeper cannot handle the ball outside the penalty area.
- If the goalkeeper handles the ball outside the penalty area, a free kick will be awarded to the attacking team and taken at the location where the offence occurred.
- The goalkeeper may put the ball back into play within the penalty area either by kicking or throwing the ball. The 6 second rule will not be called on the goalkeeper, who can, therefore, run up to the line before releasing the ball. Drop kicks are permissible; however, we encourage our goalkeepers to play the ball out from the back.

Summer Rules

- Commencing on July 1st to the end of the Outdoor Recreational season, no team will be allowed to field more players than the opposing team.
