

# VOLUNTEER SCREENING POLICY

It is the policy of the Dixie Soccer Club that all volunteer coaches, assistant coaches, managers, and team trainers have a current Vulnerable Sector Form (Police Records Check) on file with the Club. A current Vulnerable Sector Form (Police Records Check) is defined as being completed within the last two years.

The Dixie Soccer Club will pay the fee associated with obtaining a Vulnerable Sector Form (Police Records Check) for all volunteer coaches, assistant coaches, and managers only.

Volunteer coaches, assistant coaches and managers must obtain a Vulnerable Sector Form (Police Records Check) from the Club office and submit it along with all required information to their local Police Headquarters.

The Dixie Soccer Club complies and keeps a list of all volunteer coaches, assistant coaches, and managers. Included in this list is verification of each volunteer's status in regard to having a current check.
